

## **Become a Volunteer**

**The Emmaus Historical Society is an all-volunteer organization. All that we do, and have done, since our founding in 1992 is accomplished by our volunteers. We are always looking for additional volunteers to assist us with the many tasks of the Emmaus Historical Society and Museum. Consider volunteering with us in what you may love to do:**

- Museum Greeters/Docents – generally Saturdays from 10 – 1 or 1 - 4
- Fund Raising for both Capital Campaign and General Funding (ideas, event planning, soliciting)
- Maintenance, cleaning and landscaping of both the building and grounds (inside and out)
- Collections Committee – examine and catalog items donated to the Museum
- Museum Displays and Exhibits – set up and take down of changing museum displays
- Publicity– getting the word out locally and in print and social media
- Data Entry and Office Administration– data entry, record keeping and filing
- Hospitality – cooking, baking, serving and cleaning up at Programs and Events
- Newsletter – ideas for feature articles in our quarterly newsletter, layout, editing, proofreading and bulk mailing
- Research- genealogical and historical
